

Whispering Hills Playground, Tennis and Volleyball Courts

Playground

There are no specific rules to use the playground. However, please watch your small children since older ones use the playground and they are not always accompanied by an adult.

The playground has lighting from dusk until dawn.

Tennis Court

There are two (2) tennis courts with lights that are activated by the controller for up to 60 minutes at a time. Homeowners are welcome to use the tennis courts whenever they wish. However, it is requested that no one use the tennis courts after 10pm.

Volleyball Court

The sand volleyball court is located north of the indoor pool. It must be used during the day as there is no outdoor lighting.
