

Whispering Hills

Swim Team

Each summer kids 4 -18 years old have met at the Whispering Hill's swimming pool to practice and improve their strokes.

During the summer 2012, around 80 kids met from Tuesday to Friday for six (6) weeks. Kids were assigned a specific block of time according to their age range.

These are not swimming lessons. Participants must be able to swim a length of the pool unassisted. However, this does not apply to kick-boarders.

Kids who know how to swim can practice butterfly, breast, back and freestyle strokes. There is also instruction on diving from the starting block.

There is a fee for each child's enrollment, with a discount on the second child's enrollment. There is also a membership fee for those who are not a Whispering Hills resident/homeowner.

Registration starts in May each year. The first day of practice is May 28.
